

The 5th International Workshop on Economic Growth, Environment and Natural Resources May 31 – June 1, 2019, St. Petersburg, Russia

Department of Economics of the European University at St. Petersburg and Chair of Economics / Resource Economics, ETH Zurich are organizing the 5th International Workshop on Economic Growth, Environment and Natural Resources on May 31 – June 1, 2019. The aim of the Workshop is to promote the use of advanced economic theory in the fields of growth, environment and natural resource economics.

Scientific Committee

- Kirill Borissov (EUSP)
- Stefano Bosi (Université Paris Saclay)
- Thierry Bréchet (UCLouvain and CORE)
- Lucas Bretschger (ETH Zurich)
- Mikhail Pakhnin (EUSP)
- Ingmar Schumacher (IPAG)

Keynote Speaker Rick van der Ploeg (University of Oxford)

Submissions

We welcome contributions from the fields of **growth theory, environmental economics, energy and resource economics, economic dynamics**. Prospective participants should submit a draft version of the **paper or an extended abstract** of at least 250 words to workshop2019@eu.spb.ru no later than **February 8, 2019**. Successful applicants will be notified by **February 13, 2019**. Final versions of accepted papers should be submitted by **May 24, 2019**.

Accommodation

There is **no participation fee**. The European University at St. Petersburg will award a **limited number of grants to cover local accommodation costs**. To apply for a grant, please email workshop2019@eu.spb.ru as soon as you are notified of the acceptance of your paper. If the grant is awarded, the EUSP will take charge of hotel bookings as required. Otherwise participants are personally responsible for making their hotel reservations.

Visa Information

Participants who need a Russian **visa** to enter the country will have to get it issued on an **invitation letter** sent by the European University at St. Petersburg. Participants on a tourist visa **will not be allowed** to make a presentation by Russian law.

Important Dates (2019)

- Submission deadline: February 8
- Notification of acceptance: February 13
- Final paper deadline: May 24
- Workshop dates: May 31 – June 1

Workshop Venue

The workshop will be held at the European University at St. Petersburg (6/1A Gagarinskaya St., St. Petersburg, Russia). The end of May is the best time to visit St. Petersburg, one of the most beautiful cities in the world!
